Stratmoor Hills Water, Sanitation & Fire Protection Districts

Volume 23 Issue 12

The Stratmoor Hills Water and Sanitation Districts staff would like to wish you and yours Happy Holidays. 2021 has continued to be a tumultuous time for everyone. We are still learning to adapt to the “New Normal”. Although the Covid-19 Pandemic has affected a lot of our day-to-day lives, the Water District has been able to accomplish several projects in 2021, which included replacing 650 linear feet of water main on Loomis Ave. The Sanitation District now has a newly designed and operational lift station in the Valley. The new water treatment plant is currently under construction and should be completed during the first quarter on 2022. We hope 2022 will be just as productive and our community returns to some sense of normalcy. Thank you for being part of the Stratmoor Hills Community and we hope your Holidays bring much joy and happiness.
